

PILOT EVALUATION AGREEMENT

This Pilot Evaluation Agreement ("Agreement") is made on 05 March 2026

BETWEEN:

(1) Mr Olusegun Odeyemi of Apartment 714, Prosperity House, Gower Street, Derby, UK, DE1 1AW ("Developer");

and

(2) Glitterati Estates Limited, a company duly incorporated under the laws of the Federal Republic of Nigeria with RC No. 703011 and business address at 32b, Awori Road, Dolphin Estate, Ikoyi, Lagos State ("Company").

The Developer and the Company are each a "Party" and together the

"Parties". BACKGROUND

A. The Developer has developed certain software, APIs, models, workflows, documentation and related materials forming part of the AMTTP framework ("AMTTP Components").

B. The Company wishes to evaluate certain AMTTP Components for possible use in its rental, property management and related operations.

C. The Parties wish to record the terms on which the Company may conduct that evaluation.

IT IS AGREED as follows:

1. Definitions

In this Agreement:

"Confidential Information" means any non-public business, commercial, financial, technical, operational or other information disclosed by one Party to the other in connection with this Agreement, whether in oral, written, electronic or other form, including information relating to the AMTTP Components.

"Evaluation Purpose" means the Company's internal testing, technical assessment, operational evaluation and exploratory integration review of the Selected Components only.

"Pilot Term" means the period described in clause 3.

2. Purpose and scope

2.1 The purpose of this Agreement is to enable the Company to evaluate the Selected Components solely for the Evaluation Purpose.

2.2 The Selected Components for the pilot are limited to those set out in

Schedule A. 2.3 The Company acknowledges that:

(a) the pilot may cover only selected parts of the AMTTP framework; (b) the AMTTP Components are provided for evaluation only; (c) this Agreement does not oblige either Party to proceed to commercial deployment, procurement, licensing or any long-term arrangement; and (d) the pilot does not amount to full production deployment of the AMTTP framework.

3. Pilot term

3.1 This Agreement shall commence on the Effective Date and continue for an initial term of six (6) months, unless terminated earlier in accordance with this Agreement.

3.2 The Parties may extend the Pilot Term by written agreement.

4. Evaluation licence

4.1 Subject to the terms of this Agreement, the Developer grants the Company a limited, non-exclusive, non-transferable, non-sublicensable, revocable licence during the Pilot Term to access and use the Selected Components and any related

documentation solely for the Evaluation Purpose.

4.2 The Company shall not use the Selected Components for live production use, commercial resale, external customer delivery or any third-party service unless the Parties enter into a separate written agreement expressly permitting such use.

5. Restrictions

5.1 Except with the Developer's prior written consent or as required by law, the Company shall not:

(a) copy, reproduce, modify, adapt, translate or create derivative works from the Selected Components except as strictly necessary for the Evaluation Purpose; (b) distribute, assign, transfer, sublicense, lease, lend, sell or otherwise make the Selected Components available to any third party; (c) reverse engineer, decompile, disassemble or otherwise attempt to derive the source code, models, logic or underlying structure of the Selected Components; (d) remove, alter or obscure any proprietary notices; (e) use the Selected Components outside the scope of the licence granted under this Agreement; or (f) use the Selected Components in any unlawful manner or in breach of applicable law.

6. Company responsibilities

6.1 The Company shall:

(a) use the Selected Components only for the Evaluation Purpose; (b) ensure that access is limited to its authorised personnel; (c) maintain reasonable security measures to protect the Selected Components and any access credentials; (d) remain responsible for its own legal, regulatory and operational decisions; and (e) obtain all rights, consents and permissions necessary for any data it provides for the pilot.

6.2 Unless otherwise agreed in writing, the Company shall use test, sample or anonymised data for the pilot wherever reasonably practicable.

6.3 The Company shall not rely on the Selected Components as the sole basis for any legal, financial, tenancy, compliance, payment or operational decision.

7. Developer responsibilities

7.1 During the Pilot Term, the Developer shall provide the Company with reasonable access to the Selected Components and any documentation that the Developer considers appropriate for the pilot.

7.2 Unless expressly agreed in writing, the Developer is not providing managed services, implementation services, service levels, uptime commitments, production support or custom development under this Agreement.

8. Fees and costs

8.1 Unless the Parties agree otherwise in writing, the pilot is provided on a non-commercial evaluation basis, and no licence fee is payable by the Company during the Pilot Term.

9. Intellectual property

9.1 All intellectual property rights in and to the AMTTP Components, Selected Components, documentation, architecture, software, models, APIs, methodologies and related materials shall remain vested in the Developer or the Developer's licensors.

9.2 No intellectual property rights are transferred to the Company under this Agreement other than the limited licence expressly granted under clause 4.

9.3 All rights in the Company's pre-existing data, records and materials shall remain vested in the Company.

9.4 The Company may provide comments, suggestions or feedback relating to the Selected Components. The Developer may use such feedback freely and without payment or restriction, provided that the Developer does not disclose the Company's Confidential Information in doing so.

10. Confidentiality

10.1 Each Party shall keep the other Party's Confidential Information confidential and shall not disclose it to any third party except:

- (a) to its employees, officers, professional advisers or contractors who need to know it for the purposes of this Agreement and who are bound by confidentiality obligations; or
- (b) where disclosure is required by law, regulation or court order.

10.2 Each Party shall use the other Party's Confidential Information only for the purposes of this Agreement.

10.3 The obligations in this clause shall not apply to information which the receiving Party can show:

- (a) is or becomes public other than through breach of this Agreement; (b) was lawfully in its possession before disclosure; (c) is lawfully received from a third party without restriction; or (d) was independently developed without use of the disclosing Party's Confidential Information.

11. Data protection

11.1 Each Party shall comply with applicable data protection and privacy laws in the Federal Republic of Nigeria, including the Nigeria Data Protection Act 2023.

11.2 Unless otherwise agreed in writing, each Party shall act as an independent data controller in respect of any personal data processed in connection with this Agreement.

11.3 If the pilot involves the sharing or processing of personal data beyond ordinary business contact details, the Parties shall put in place any additional data protection documentation reasonably required before such processing takes place.

12. Warranties and disclaimers

12.1 The Developer warrants that he has the right to enter into this Agreement and

grant the licence expressly granted under it.

12.2 Except as expressly stated in this Agreement, the Selected Components and any documentation are provided "as is" and "as available" for evaluation purposes only.

12.3 To the fullest extent permitted by law, the Developer excludes all implied warranties, conditions and representations, including any implied warranties of fitness for purpose, merchantability, availability, accuracy, non-infringement or error-free operation.

13. Limitation of liability

13.1 Nothing in this Agreement excludes or limits either Party's liability for fraud, fraudulent misrepresentation, death or personal injury caused by negligence, or any liability which cannot lawfully be excluded.

13.2 Subject to clause 13.1, neither Party shall be liable to the other for any indirect, incidental, special or consequential loss, or for any loss of profit, revenue, business, goodwill or anticipated savings arising out of or in connection with this Agreement.

13.3 Subject to clauses 13.1 and 13.2, the Developer's total aggregate liability arising out of or in connection with this Agreement shall not exceed NGN 1,000,000.

14. Termination

14.1 Either Party may terminate this Agreement:

(a) on thirty (30) days' prior written notice; or (b) immediately by written notice if the other Party commits a material breach of this Agreement and, where capable of remedy, fails to remedy the breach within fourteen (14) days after receiving written notice requiring it to do so; or (c) immediately if the other Party becomes insolvent or ceases to carry on business.

14.2 Either Party may also terminate this Agreement immediately if the pilot is no longer commercially, technically or operationally viable.

15. Consequences of termination

15.1 On termination or expiry of this Agreement:

(a) the licence granted under clause 4 shall immediately end; (b) the Company shall cease all use of the Selected Components; (c) each Party shall, on written request, return or securely destroy the other Party's Confidential Information, except where retention is required by law or for internal compliance records; and (d) accrued rights and remedies shall not be affected.

15.2 Clauses 9, 10, 11, 12, 13, 15, 16 and 17 shall survive termination to the extent necessary to give them effect.

16. General

16.1 Nothing in this Agreement creates any partnership, joint venture, agency, employment relationship or exclusive arrangement between the Parties.

16.2 This Agreement constitutes the entire agreement between the Parties in relation to its subject matter and supersedes all prior discussions, negotiations and understandings relating to it.

16.3 No amendment to this Agreement shall be effective unless made in writing and signed by both Parties.

16.4 The Company may not assign or transfer any of its rights or obligations under this Agreement without the Developer's prior written consent.

16.5 If any provision of this Agreement is held invalid or unenforceable, the remaining provisions shall remain in full force and effect.

16.6 No failure or delay by either Party in exercising any right or remedy shall operate as a waiver of that right or remedy.

16.7 A person who is not a Party to this Agreement shall have no right to enforce any term of this Agreement.

17. Notices

17.1 Any notice under this Agreement shall be in writing and delivered by hand, courier, registered post or email to the address or email address last notified by the receiving Party.

17.2 A notice shall be deemed received:

(a) if delivered by hand, at the time of delivery; (b) if sent by courier or registered post, on the second business day after dispatch; and (c) if sent by email, at the time of transmission, provided no delivery failure notice is received.

18. Governing law and jurisdiction

18.1 This Agreement shall be governed by and construed in accordance with the laws of the Federal Republic of Nigeria.

18.2 The High Court of Lagos State, Nigeria shall have exclusive jurisdiction to hear and determine any dispute arising out of or in connection with this Agreement.

SCHEDULE A - PILOT COMPONENTS

The Selected Components for the pilot are limited to the following:

1. Tenant Onboarding and Identity Verification (KYCService) Used to support tenant onboarding, identity verification, and document verification processes.
2. Transaction Risk Screening and Anomaly Detection (RiskService) Used to assess transaction risk, detect anomalies, and flag potentially suspicious payment or operational activity.
3. Document and Payment Integrity Verification (IntegrityService) Used to verify document integrity, validate payment-related records, and support audit trail requirements.
4. Dispute and Evidence Management (DisputeService) Used to record, manage, and track dispute workflows, including the submission and review of supporting evidence.
5. Monitoring, Alerts and Pilot Reporting (MonitoringService and DashboardService) Used to provide operational monitoring, alert generation,

reporting, and pilot activity analytics.

The Parties acknowledge that:

(a) the Selected Components may be evaluated independently or in combination during the Pilot Term, as operationally appropriate; (b) the Selected Components are provided solely for internal pilot evaluation under this Agreement; and (c) any additional AMTTP component not listed in this Schedule A shall only be included in the pilot if agreed in writing by both Parties.
